

## MERCY FROM THE HOTBOX

46 & Mercy is a sleek, modern reprieve from the city above, serving up a vibrant yet elegant cocktail menu. Nestled below HotBox, one of London's premier barbecue restaurants, 46 & Mercy is designed as an antidote to the smoke infused restaurant above.

Residing in a former street art gallery, the space pays homage to its previous incarnation. Significant original art works by the likes of Blek Le Rat, Pure Evil, Robbo and D-Face adorn the walls creating a truly unique and authentic experience. We invite you to sit back, relax and soak in your surroundings whilst you ponder which drink will follow the last...
